CLUBBING TOGETHER TO BAISE THE YUNDS. -New York Journal

One of the most eminent and skillful specialists in the United States is the author of a great home medical work that every woman, whether young or old, should read. That physician is Dr. R. V. Pierce, for thirty years chief consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y. This is one of the greatest medical institutions in the world. In his capacity as head of this institution, Dr. Pierce is surrounded by a staff of nearly a score of able physicians. With the assistance of this staff of physicians, during the past thirty years, Dr. Pierce has prescribed for many thousands of ailing women. His "Common Sense Medical Adviser" contains 1008 pages and over 300 illustrations. It contains several chapters devoted to the treatment of diseases peculiar to women. A paper-covered copy is sent free on receipt of 21 one-cent stamps, to cover mailing, by the World's Dispensary Medical Association, Buffalo, N. Y. Prench cloth binding 31 stamps.

Every woman should read it. It tells about a medicine that cures all disorders and irregularities from which women suffer. This medicine is Dr. Pierce's Pavorite Prescription. It acts directly on the delicate organs concerned in wifehood and motherhood. It makes them strong, healthy and vigorous. It allays inflammation, heals ulceration, stops debilitating drains and soothes pain. It is the greatest of all nerve tonics. In the "Medical Adviser" hundreds of women tell their experiences with this medicine. The "Favorite Prescription" is for sale by all good medicine dealers.
